Steps to Reproduce:	<ol style="list-style-type: none">1. Login to user account2. Use the user dropdown menu to navigate to the setting page3. Click the "Please contact us if you need help with anything else" link4. From the contact page use the "Frequently Asked Questions" link to access the FAQ page5. On the FAQ page scroll down to the My Account section and choose the "Where do I go to update my account email address" link6. On the instruction page choose the link provided: https://openlibrary.org/account/email7. Observe that the link is broken and returns a 405 Method Not Allowed error message (see photo attached)
Expected Result:	The user should be able to use the My Account area of the FAQ page to update their email address.
Actual Result:	The link through the My Account area of the FAQ page used to update the account holder's email address is broken and returns a 405 error.

Description

- By navigating to the My Account section of the FAQ, the user should be able to update their account email address.

- Refer to steps in test case [QA6T-48](#) Open & execution [QA6T-53](#) Failed
