Attachments:	 search results borrow vs read.JPG
Steps to Reproduce:	<ol style="list-style-type: none">1. Login to account2. Search for an item3. Observe that sometimes the results will be have borrow buttons present and sometimes they will have read buttons present. (See attached photo)
Expected Result:	Buttons and wording should be consistent and easy to understand for users.
Actual Result:	Buttons and wording changes between resources and sometimes between searches leading to confusion.

Description

- As searches were being performed using automation, the button names would change between Borrow or Read. Due to the inconsistencies of the results the site was determined to not be a good candidate for automation. This also causes confusion for users and what the differences mean and if they perform different functions.
